

Subject: Application for Summer 2026 Internship Opportunity

Dear Internship Coordinator,

I hope this message reaches you in the best of health. My name is Deepakkumar G. I am currently a second-year student pursuing a degree in Computer Science and Engineering with a specialization in Educational Technology at VIT Bhopal. I am writing this email to express my strong interest in the internship opportunities in Summer 2026. I have always been fascinated by machine learning, software development, and educational technology. I have hands-on experience in Python and Java programming. I have completed various projects related to machine learning basics like predictive models using scikit-learn. I have also worked with various tools like VS Code, GitHub, and Figma. This has helped me improve my problem-solving and communication skills. I am eager to contribute my innovative works and gain valuable experience in a dynamic team environment. I have always been fascinated by Company. I have attached my resume and project details. I look forward to the possibility of discussing my application with you. Please let me know if it's possible to schedule a call at a time that's convenient for you.

Thank you,

Deepakkumar G

Student of CSE with Specialization in Educational Technology
